

FOUNDATION FOR THE CAROLINAS

Inspiring the Art of Philanthropy

Since 1958, Foundation For The Carolinas has served as a catalyst for charitable good, connecting individuals, companies and organizations to needs and philanthropic opportunities across the region and beyond.

A community foundation deeply dedicated to the collective strength of communities, we work in close partnership with donors, civic leaders, businesses and nonprofits to achieve a wide variety of charitable goals and to inspire philanthropy that will benefit generations to come.

With approximately \$2.5 billion in assets, we are among the largest community foundations in the United States, with 13 regional community foundation affiliates.
