FFTC Scholarship Funds can be established by individuals, families, businesses or nonprofits with a minimum gift of $25,000 for our Select service level ($100,000 for corporations), or $500,000 for our Comprehensive service level.

We can help you leverage an exceptionally wide variety of assets to achieve your charitable goals, including:

- Cash
- Marketable securities, including stocks, bonds and mutual funds
- Real property, including land, primary and vacation homes and commercial property
- Non-voting business interests that include closely held stock, limited partnership and LLC interests
- Life insurance
- Qualified retirement plan assets
- Trust, estate and deferred gifts

All FFTC Scholarship Funds are established as long-term endowed gift funds, which preserve the principal of the fund. IRS regulations for charitable deductions dictate that assets donated become legally owned and controlled by FFTC.

Philanthropy is an art that benefits everyone. Come be inspired.
