

About

Mission Statement: The mission of the Charlotte Community Affairs Professionals (CCAP) is to learn and share information among corporate community affairs professionals and corporations in order to better serve the communities where we live, work and do business.

Benefits and Services:

- Networking and idea sharing opportunities among peers and experts in the corporate community affairs sector
- Access to national best practices and informal learning amongst members regarding different corporate initiatives
- Information on local nonprofit sector and community news and major initiatives
- Past meeting and retreat topics have included: employee volunteerism with **Points of Light**, **Boston College Center for Corporate Citizenship** courses, report on local initiatives, impact measurement insights from **Mission Measurement**.
