The Biffle Family Announces the Biffle Family Legacy Impact Fund in Partnership with Foundation For The Carolinas

Mooresville, North Carolina — The Biffle family has announced the formation of the **Biffle Family Legacy Impact Fund**, established in partnership with **Foundation For The Carolinas**, to support communities and individuals in need through intentional, compassionate giving.

Rooted in the values and lifelong passion of **Greg and Cristina Biffle**, the Fund was created to carry forward their deep commitment to service, generosity, and hands-on involvement in the communities they cared about most. The Biffle Family Legacy Impact Fund will focus on meeting real needs, strengthening communities, and supporting causes that create meaningful, lasting impact.

“This fund honors the Biffle family’s longstanding legacy of giving back, demonstrated time and time again through their commitment to service and generosity,” said Jordyn Biffle. “It ensures that spirit continues by supporting meaningful work and impact across a wide range of charitable causes.”

Through its partnership with **Foundation For The Carolinas** – a community foundation serving 13 counties in North and South Carolina – the Fund will be guided by trusted philanthropic expertise, accountability, and deep local knowledge—ensuring resources are deployed thoughtfully and in alignment with the Fund’s mission and values.

The Biffle Family Legacy Impact Fund Vision

A future where communities are stronger, hope is restored in moments of need, and generosity inspires action for generations to come.

The Fund will support initiatives that reflect the Biffle family’s belief that true impact comes from showing up, serving with compassion, and responding where help is needed most. Grantmaking priorities and future initiatives will be announced as the Fund continues to grow.
