AGILITY CORPS

FALL 2026

# Experienced leaders. Stronger nonprofits.

## Introducing the Fall 2026 Cohort

Agility Corps connects accomplished executive volunteers with nonprofit leaders for focused, collaborative engagements that strengthen organizations and help them advance their missions. This fall, an impressive group of community partners is putting executive-level experience to work on some of the challenges that matter most to nonprofit sustainability and growth.

- Building board governance, leadership succession and organizational capacity
- Developing strategies for expanded services, stronger partnerships and diversified revenue
- Aligning multi-location operations, strategic priorities and measurable outcomes

## EARLY VOICES FROM THE COHORT

*"I love, love, love my executive volunteers. [The partnership] is strengthening my leadership skills."* — Nonprofit leader

*"You're setting up a great program here, and there's a real need that I think is being met."* — Executive volunteer

**A promising start.** With initial meetings underway and partnerships taking shape, the Fall 2026 cohort is already generating enthusiasm, new perspective and opportunities for lasting impact.
