Benefits and Services

Cost-Effective, Diversified Investment Options

Our investment options provide increased diversification, top quality managers and professional oversight at low costs, allowing your organization to stay focused on carrying out your mission.

Commingled Investment Pools

Your fund is commingled and invested in a pool of FFTC's assets. Your fund receives a pro-rata share of the changes in value of the pool. This provides access to desirable asset strategies and share classes, and allows each fund – large or small – the opportunity to maximize its philanthropic goals.

Expert Endowment Management

We support all facets of endowment management including spendable income calculation, distinct fund accounting, monthly fund statements (including net investment earnings) and online access to your account.

Planned Giving Support

FFTC Agency Funds provide a powerful opportunity to encourage planned gifts by your donors. We offer services to facilitate legacy giving, such as charitable trust administration, and can help your donors establish long-term funds to support your mission.

Wide Variety of Assets Accepted

We can facilitate gifts of a wide variety of assets on your behalf, such as closely held business interests and real property, removing barriers for your donors to give and diversifying your support.

Only at Foundation For The Carolinas

We are dedicated to supporting the needs of the nonprofit community and will strive to keep you informed of endowment, legislative and compliance issues affecting the nonprofit sector. We also offer educational seminars and networking opportunities with your nonprofit peers.

FFTC Agency Funds can be established as long-term endowed or quasi-endowed funds that preserve the principal of the fund or as non-endowed funds that leave the entire balance available for distribution. While contributions to FFTC Agency Funds are irrevocable, for quasi-endowed or non-endowed funds, the fund's assets can be granted back to the designated Agency in accordance with the terms of the fund agreement and FFTC's policies for gift fund distribution.
