

Give together, Give more powerfully

Do you and your friends share a passion for charitable causes? Are you looking for an easy way to manage donations from multiple people – and to grant the money to the nonprofits you all care about when you're ready? Collective Giving Funds at Foundation For The Carolinas are a convenient solution.

- ▶ Friends, coworkers and other community members can open a fund together, and anyone can contribute to maximize grantmaking impact.
- ▶ Since FFTC is a public charity, each donation is tax deductible.
- ▶ An optional online donation page makes it easy to make credit card donations.
- ▶ Gain access to an online donor portal to efficiently track your giving and grantmaking.
- ▶ Get invited to FFTC fundholder and community events.

How it works: creating and managing your Collective Giving Fund

- ▶ Speak with an FFTC philanthropic advisor to discuss your group's goals and learn about your options.
- ▶ Complete an easy form to open your Collective Giving Fund (\$5,000 opening minimum). This is when you can pick an investment pool to help your fund grow, add others as fund representatives and create a succession plan.
- ▶ Once the fund is created, you'll have access to an online portal where you can make contributions, check your fund balance and make grants to nonprofits.
- ▶ You'll also have the option for a web link where anyone can donate to your fund using a credit card. (additional fee)
- ▶ When your group decides which nonprofits to support, you can use the online portal or you can contact our team of experts for assistance.
