<b>Type of Fund</b>	Please choose whether the Gift Fund will be a permanent Endowed Gift Fund with the Foundation or a Non-Endowed Gift Fund.
---------------------	---

**Endowed** \_\_\_\_\_ (please initial)  
An endowed Gift Fund is a **permanent**, legacy Fund. Its assets are held irrevocably by the Foundation and are managed to accomplish the identified charitable purposes. Endowed Gift Funds are designed to be preserved in perpetuity, so only the annual spendable income is available for grantmaking. Choose this option to establish a permanent endowment by providing continuing support for the charitable purposes of the Gift Fund. *The decision to endow is irrevocable and the Company hereby confirms it has reviewed the policies of the Foundation related to endowed funds set forth in the Charitable Giving Guide.*

**Non-Endowed**  
A non-endowed Gift Fund is a gift fund in which the assets are fully available for distribution at any time. Choose this option to maintain maximum flexibility in terms of grant amounts.

**Spendable Amount**

The following pertains to endowed Gift Funds only.

**A. Determination of Annual Spendable Amount.**

Under applicable law, with respect to endowed Gift Funds, the Foundation's Board of Directors establishes the annual spendable income rate that is used to calculate the amount available for distribution from the Gift Fund each year (the "Spendable Amount"). The Spendable Amount is determined by multiplying the annual spendable income rate by the average daily value of the Gift Fund for the prior three calendar years or since Gift Fund inception (for Gift Funds less than three years old). For the current annual spendable income rate, visit [www.fftc.org/financials](http://www.fftc.org/financials).

**B. If Value of Fund Falls Below Historic Dollar Value.**

Historic dollar value ("HDV") means the value of the Gift Fund at the time of the original contribution(s) to the Gift Fund plus the dollar value of any subsequent contributions to the Gift Fund (not including any investment earnings or losses). If the value equals or exceeds 66% of HDV, the Spendable Amount currently is calculated as previously described. If the value falls below 66% of HDV, the Spendable Amount may be limited in accordance with the Foundation's applicable policies (as provided in the *Charitable Giving Guide*).

Under applicable law and the Foundation's spendable policy as outlined above, the Spendable Amount may be available for distribution even if the value of the Gift Fund falls below HDV. However, spending from a Gift Fund which has a value below HDV (e.g., in the case of a new Gift Fund or a down market cycle) may result in a longer time period to rebuild the value. The Foundation allows the Company the choice to preserve principal when the value falls below HDV rather than follow the Foundation's spendable policy.

Unless initialed below, the Company requests that the Foundation make available the Spendable Amount (in accordance with the Foundation's spendable policy) even if the value of the Gift Fund Falls below HDV.

\_\_\_\_\_ Preserve Principal. The Company requests that the Foundation not allow distributions of any Spendable Amount if the value of the Gift Fund Falls below HDV.

**Investments**

The Foundation is pleased to offer a variety of investment pools for Gift Funds. All investment pools are reviewed by the Foundation’s Investment Committee.

**A. Investment Provisions.**

FFTC offers fundholders diverse investment options for philanthropic impact. These investment options span the risk-return spectrum from conservative allocations to more growth-oriented investment pools.

Any type of Gift Fund (endowed or non-endowed) can recommend any investment pool option, though endowed funds are typically invested with a long-term position (such as Passive Long-Term Growth, ESG Long-Term Growth, Active Long-Term Growth or Diversified Long-Term Growth). The Fund Representative(s) may also make recommendations to change the investment pool selection at any time.

If you do not recommend an investment pool, the Foundation will place Non-Endowed Funds into the Liquid Reserves Pool and Endowed Funds into the Diversified Long-Term Growth Pool.

**B. Investment Pool Selection**

Please recommend the investment pool below that best fits the Company’s investment objective, anticipated grantmaking, timeline, and future contributions for the Gift Fund. For additional information on FFTC’s investment pools, including investment fees, please visit [www.ffc.org/pools](http://www.ffc.org/pools).
