Only at Foundation For The Carolinas

FFTC's Center for Corporate Philanthropy offers expertise and perspective on the community's most urgent needs, and ensures the greatest possible impact for your charitable investment. Whether working directly with the nonprofits that seek your support, or providing back-office services to create capacity for your team, we make corporate giving easy, efficient and effective.

Getting Started

FFTC Corporate Donor Advised Funds are easy to establish with a minimum gift of \$50,000.

We can help you leverage an exceptionally wide variety of assets to address your charitable goals, including:

- ▶ Cash, including batched payroll deductions
- ▶ Marketable securities, including stocks, bonds and mutual funds
- ▶ Real property, including land and commercial property
- ▶ Non-voting business interests that include closely held stock, limited partnership and LLC interests

FFTC Corporate Donor Advised Funds can be established as long-term endowed gift funds which preserve the principal of the fund or as non-endowed gift funds which leave the entire balance available for distribution. IRS regulations for charitable deductions dictate that assets donated become legally owned and controlled by FFTC. Advisors of the fund, however, retain the right to request grant recommendations.
