Asset Strategies

Individual fund earnings may not reconcile to Foundation For The Carolinas' reported performance as a result of contributions, distributions and rebalancing in the fund. A successful investment program includes consideration of your grantmaking intentions and timeframe for investments. Past performance is not indicative of future results.

*The ESG Long-Term Growth pool is currently available to FFTC fundholders only, with expansion to supporting organizations – such as GCCT and FCJC – in the future.

Expense Ratio* 0.58%

*Includes weighted Investment Manager and other investment-related expenses.
