INCOME & GROWTH POOL

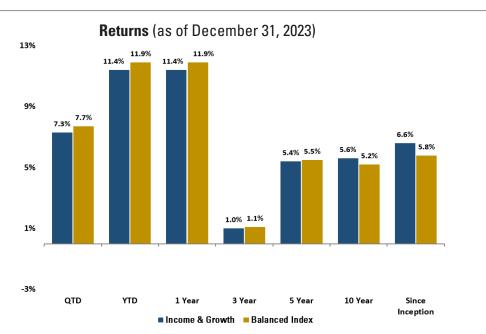

Foundation For The Carolinas offers diverse investment options for philanthropic impact

- Less focused on capital appreciation and more on dividend and interest income generation
- ▶ Follows a balanced income approach, utilizing fixed income securities and a broadly diversified portfolio of stocks, which can include non-U.S. stocks.

Asset Strategies

Individual fund earnings may not reconcile to Foundation For The Carolinas' reported performance as a result of contributions, distributions and rebalancing in the fund. A successful investment program includes consideration of your grantmaking intentions and timeframe for investments. Past performance is not indicative of future results.

Expense Ratio* 0.58%

^{*} The ESG Long-Term Growth pool is currently available to FFTC fundholders only, with expansion to supporting organizations — such as GCCT and FCJC — in the future.

^{*}Includes weighted Investment Manager fees, FFTC investment fee, and other investment-related expenses. Please note administrative fees are charged separately. Administrative fee schedules are available on our website at www.fftc.org/advisor_resources#administrative-fee-schedules.
