

At Foundation For The Carolinas, we are continually looking for new ways to serve our fundholders and our broader philanthropic community.

We invite you to join other nonprofit fundholders in allowing us to add your organization's name and URL to a new section on the FFTC website. Our goal is to help you:

- Increase awareness of your organization and its mission
- Provide a direct link to your website
- Highlight your commitment as a fundholder to long-term financial sustainability, strategic planning, and civic engagement

This list will also serve as a useful resource for potential donors who are interested in learning about local nonprofits.

By signing this form, you certify that you are authorized to act on behalf of the organization referenced below and that you hereby authorize FFTC to list such organization on its website as a fundholder.
